

**S-Section Circle of Friends
2009 Membership Form**

The S-Section Circle of Friends is a non-profit neighborhood beautification organization. Through donations we have, and will continue to beautify our neighborhood. Such projects include planting and maintaining the front entrance and maintaining parks. We also have functions throughout the year for all to enjoy with neighbors, friends and family. We encourage all residents to support these efforts by donating \$10.00 annually to keep this worthy organization running. The plantings and improvements benefit all of us by increasing property values and bringing our community closer together. The S-Section is a very special place to live!

Name _____ Phone _____
Address _____ **Email-** _____

Do you have a child starting kindergarten in September 2009? ___ If yes, Child's name _____
