

MINUTES  
S-Section Circle of Friends  
General Meeting  
October 7, 2008  
Nicolls Rd. Fire Station

Minutes of the spring 2008 meeting were read by Anna Flack and accepted.

Treasurer's Report was provided by Gina Carson, who also informed the members of the upcoming activities, such as the Fall Festival scheduled for October 18.

S-Section President Jennifer Sloat reported that we will be updating the S-Section Web site, and communicating by e-mail for the most part. The newsletter will be mailed once a year.

Jenn also informed the members that committees have been formed and headed up by interested residents. Some of these committees are: gardening, kindergarten kick-off, welcoming, and festivals.

Elections were held for Board positions. Officers are:

Jenn Sloat, President  
Christine Sammon, Vice President  
Anna Flack, Secretary  
Scott Lutzer, Treasurer

Members who were present at this meeting expressed their concern about the park vandalism. Despite the repeated calls to the police, early and late night vandalism, and rowdiness continues. Once again, suggestions such as organizing a Neighbor Watch, installing motion lights were mentioned.

Also of concern is speeding on the Circle. Members mentioned that this is particularly dangerous when Stop signs are run, and school buses are dropping off or picking up children.

The Board members present offered to reach out to elected officials and others for guidance as to how we can find effective solutions to the above problems.
